A/N: This is my first attempt at a poem so try not to be too harsh on me, but i don't mind helpful critisizem. Also, if you have any idea for a title, that would be helpful too.

"Untitled"

>I used to be scared
But now I am brave
>I used to retreat
But now I attack
>I used to wonder why
But now I know
>I used to want to give up
But you gave me hope

I used to have wings
>But you took them away
I used to be able to fly away
>But you tied me down
I used to believe in you
>But you took everything away from me.<p>
